NOTICE

Subject: Members Orientation Program Announcement

This is to inform all newly selected and existing members of the **Project Association for Computer and Electronics (PACE)** that the club will be organizing a **Members Orientation Program** to formally welcome and introduce members to the club's structure, objectives, and upcoming activities. It will also serve as an opportunity for members to interact with the core team, understand the workflow of the club, and clarify any queries regarding participation and expectations. All members are therefore requested to attend the program punctually and actively participate in the session.

The details of the program are as follows:

- **Date:** Sunday, 21 June 2026
- **Time:** 3:20 PM – 4:20 PM
- **Venue:** Conference Hall

Attendance is compulsory for all members. We look forward to your enthusiastic participation and contribution to the club.
